*Recent regulation changes appear in **underlined, bold text.**

- Only crossbows and archery equipment are allowed for hunting in Training Areas 1-17, *excluding 14B*.
- Hunter orange required when small game hunting once primitive weapon deer hunting starts.
- Dogs may be used for hunting small game.
- Manual calls may be used to hunt foxes, bobcats, and waterfowl. Electronic calls may be used for hunting coyotes and crows.
- Raccoons, opossums, foxes, bobcats, coyotes, and feral hogs may be hunted at night. Any light used to hunt these species shall be carried on the person of a hunter, affixed to a helmet or hat worn by a hunter, or be part of a belt system worn by a hunter.
- Rifles (.22 caliber and smaller rimfire) may be used for hunting squirrel, raccoon, opossum, and rabbit in Training Areas 48 and 49. Rifles are restricted to no more than 5 rounds in the chamber and magazine combined.
- Rifles (.17 caliber and larger centerfire) may be used for hunting fox, bobcat, coyote, and feral hogs in Training Areas 48 and 49. Rifles are restricted to no more than 5 rounds in the chamber and magazine combined.
- For hunting small game, shotguns must be plugged to a maximum capacity of not more than three (3) shells in the magazine and chamber combined. The plug must be of one piece and incapable of being removed through the loading end of the magazine.
- Air bows and air rifles are not permitted for hunting on Fort Eisenhower.
- Waterfowl hunting is prohibited in training areas 30 and 34 including Union Mill pond and Sandy Run beaver pond with the exception of the **Federal Youth, Active Duty Military, & Veterans Waterfowl Days (11-12 November 2023).** Waterfowl hunting in Lower Leitner, and Rachels I, II, III, and IV, is only permitted 1 November 2023 through the end of waterfowl season the following January.
- All hunters, regardless of age, must possess proof of completing a state approved hunter safety course.
